

## JACQUELINE (Jax) WARD FOR VICE PRESIDENT

Since joining the MCR in October I have been made to feel thoroughly at home as a member of Downing college and if elected as Vice President I intend to spend my time making sure each and every one of you feel just as welcome. To achieve this I will enthusiastically support the President in all their duties and help them out when times get tough by going to meetings and helping to make the important decisions that affect you guys.

I consider myself to be pretty organised and can write a mean To Do list when necessary! I will make sure the rest of MCR committee aren't slacking off and are properly representing your every need. I also promise to make sure your email inboxes are kept full with all the important details of things going on around college. It goes without saying you'll get hassled on facebook too!

Overall I'll be aiming to make sure everything continues to run nice and smoothly and help put a few new ideas in place to improve the MCR whilst throw some fabulous events in the meantime!

So.....**PLEASE VOTE FOR JAX** as your **Vice President** and give me the opportunity to put back into the MCR all that I have got out of it so far!
