

João Prates Romero
Downing College MCR 2011/2012
Social Secretary manifesto

I will do my best to make the Downing MCR an even more welcoming and pleasant place. I hope to bring new ideas to the MCR Committee and organize new social events that encourage Downing Graduates to participate in the MCR. I will try to diversify the MCR social events so that different interests are attended. I will encourage people to participate and bring suggestions and feedback. And I will of course struggle to keep the good events and practices that are already usual in the MCR life.

As some of the MCR members (if not all) already know, my easygoing personality and my outstanding sociability made me an almost natural choice for the Social Secretary position. With my enthusiasm and teamwork spirit, and with the support of the other MCR Committee members, I hope to make next year even better than the last one. As Krit has shown, Social Secretaries from third world countries can be really fun and hardworking!

Besides the already traditional MCR events like movie nights, formal swaps, etc, I plan to introduce a pool tournament (and I might not take part of it, because otherwise it could be considered self-favouring!), re-edit the foosball tournament, and try to increase the number (and quality) of MCR parties.

Below are some pictures that can testify my seriousness in taking part of every-day MCR life and in its events. Amazing punting, pool playing, parting and icing are only the beginning!

I count on your support in the coming election!

Hope to have your trust, your vote, and your company in the MCR! Your Social-Sec.-to-be, João.
